

When it comes to egg products,
nobody brings more to the table.

Eggs are where we got our start. As one of the Midwest's foremost suppliers of egg products, nobody brings more passion to the challenges facing today's diverse range of food manufacturers.

Whether it's baked goods, pasta, ice cream, convenience foods, confections, beverages or nutritional products, our customers know they can rely on the quality of our carefully sourced eggs, the ingenuity of our R&D staff and the commitment of our highly experienced service representatives.

Midwestern Grown

Our Egg Products

Our products begin with eggs from carefully sourced Midwest producers who share our same commitment to quality and excellence. In fact, as a company that consistently receives *superior* ratings from the American Institute of Baking, Primera Foods has set the industry standard for quality, product safety and service.

Packed with essential vitamins, minerals and amino acids, our eggs complement and increase the nutritional profile of any product, while also improving body, texture and taste where such applications are needed.
